BECOME AN EVENT SPONSOR

About Cornucopia

Cornucopia is Metro Caring's annual culinary experience—an evening to gather around the power of food, the strength of community, and recognition of what we can achieve when we work together.

Enjoy a diverse selection of complimentary dishes, drinks, and music from local partners as we grow our movement to end hunger at its root.

You'll enjoy a wide variety of tastings from local caterers, complimentary beverages, and connection with friends across the Metro Caring community.

The Power of Sponsorship

By partnering with us as a Cornucopia sponsor, you'll join a community that believes food is a human right. Each year, nearly 2,000 volunteers support Metro Caring in ending hunger at its root.

This event is a celebration of our collective action, so when you join as a sponsor, you'll be an important part of bringing community together to reflect on the change we made last year and how we'll continue to care for our community and bring dignity and choice to our food system.

Sponsorship deadline is July 28.
